

Prestige Consulting

Estd: 2011

Company Portfolio

Core Competence

PRESTIGE Consulting is a multidisciplinary research and consulting organization providing comprehensive solutions across government, corporate, and social sectors. Our expertise spans engineering, socio-economic research, organizational development, capacity building, environmental audits, as well as software development and digital systems planning. This integrated approach positions PRESTIGE as a forward-thinking leader in both consulting and technology services.

We specialize in strategic planning, project implementation, and management across engineering, socio-economic research, environmental assessment, and capacity building. Our services include feasibility studies, technical and financial evaluations, training programs, and management consultancy to deliver practical, innovative solutions tailored to client needs.

Core Vision

Our vision is to be a premier multidisciplinary consulting and technology leader, driving transformative, innovative, and sustainable solutions that empower government, corporate, and social sectors to excel and shape the future.

Our Mission

Our mission is to provide innovative consulting and technology solutions that empower clients to achieve sustainable growth and lasting impact across all sectors.

Our core team embraces a transdisciplinary, problem-focused approach. We blend diverse field experience with strong academic training, bringing expertise across environmental management, socio-economic development, occupational health and safety, engineering, agriculture, and institutional growth. This broad foundation enables us to deliver innovative and practical solutions for complex challenges.

Consulting Services

We Work With

We partner with organizations across government, development, and social sectors to deliver impactful research, strategy, and implementation support. Our consulting solutions are designed to address real-world challenges and drive sustainable change.

IT Services

We Work With

We collaborate with forward-thinking businesses and institutions to deliver custom software, digital platforms, and integrated technology solutions that streamline operations and enhance user experiences.

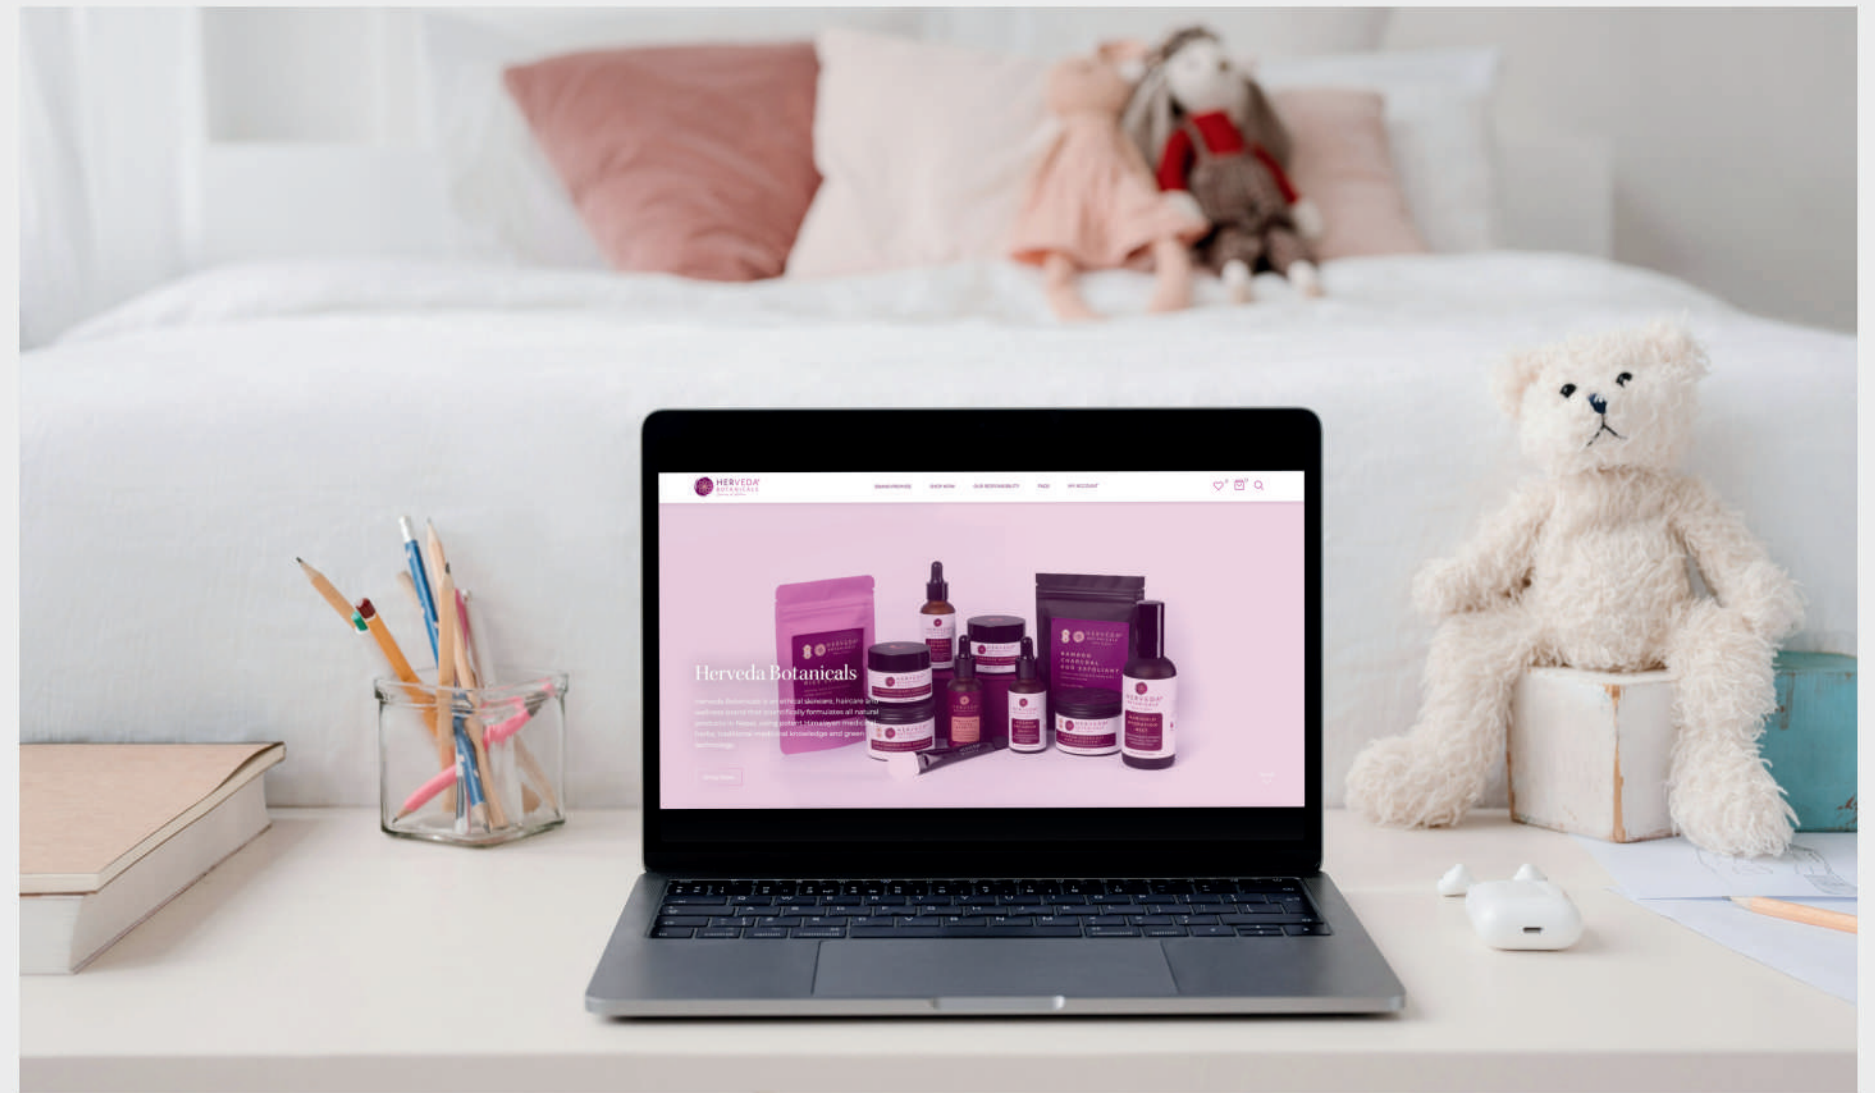

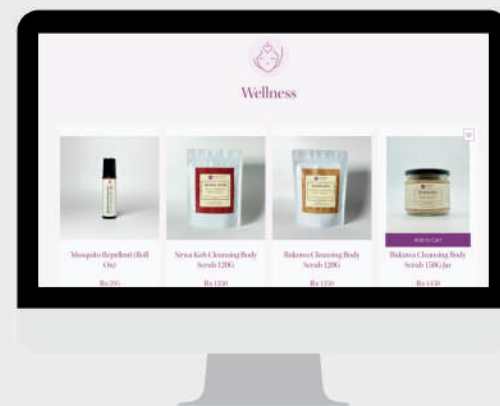

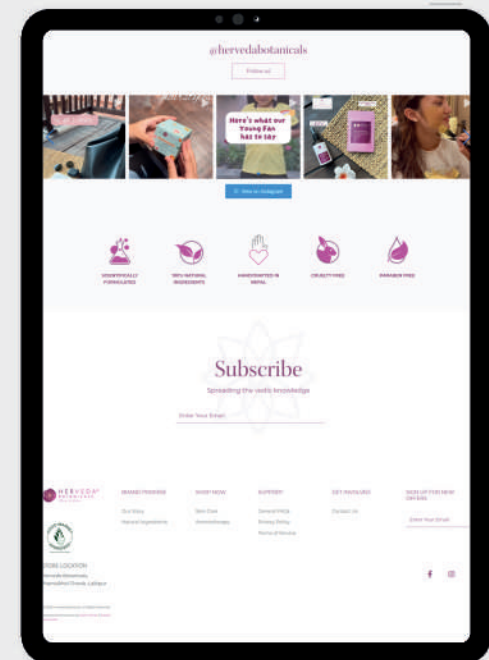

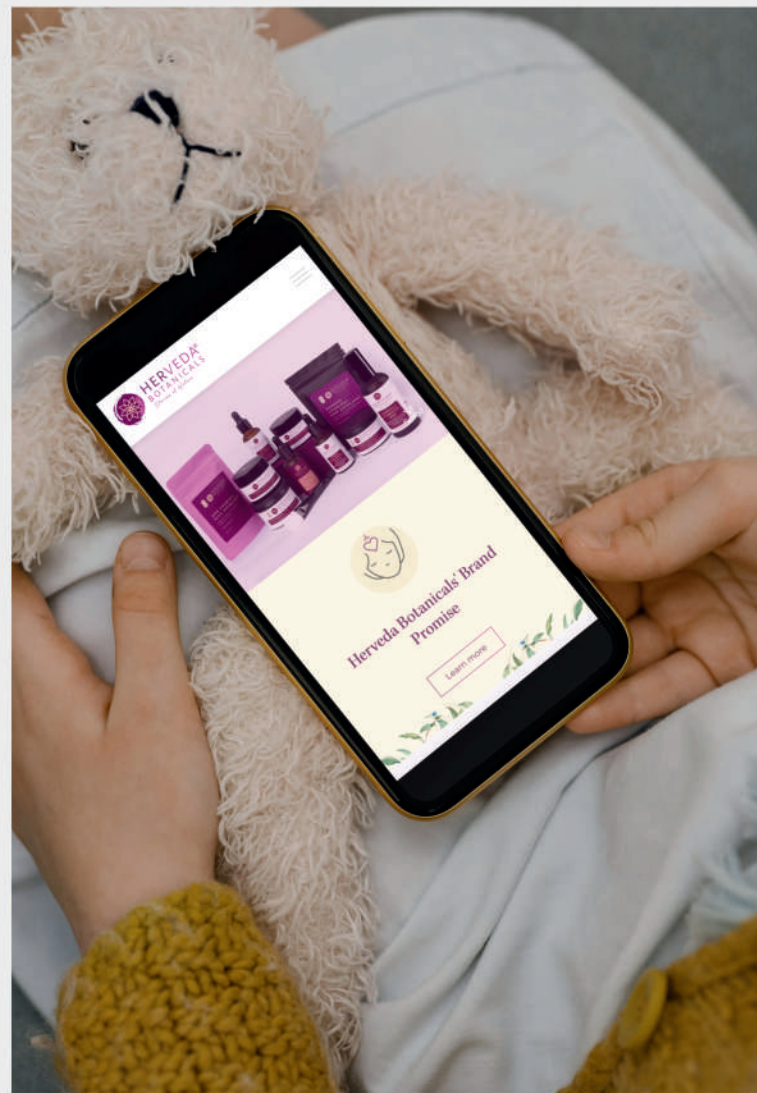

Our Works

Herveda Botanicals

<https://hervedabotanicals.com>

Developed and maintained a secure, multi-country e-commerce platform for Herveda Botanicals, a skincare and herbal brand. The project included robust security enhancements, custom feature development, performance optimization, and ongoing maintenance and fixes.

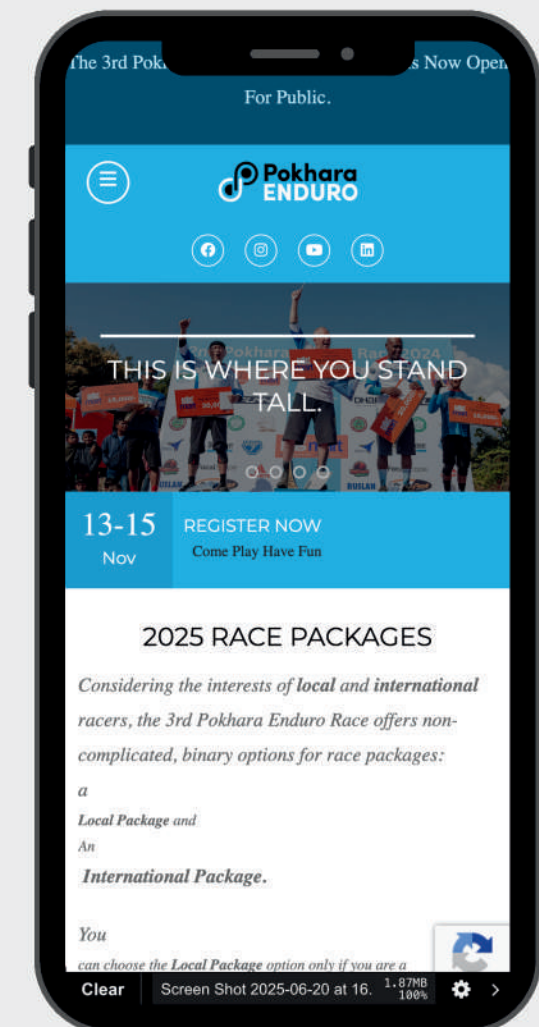

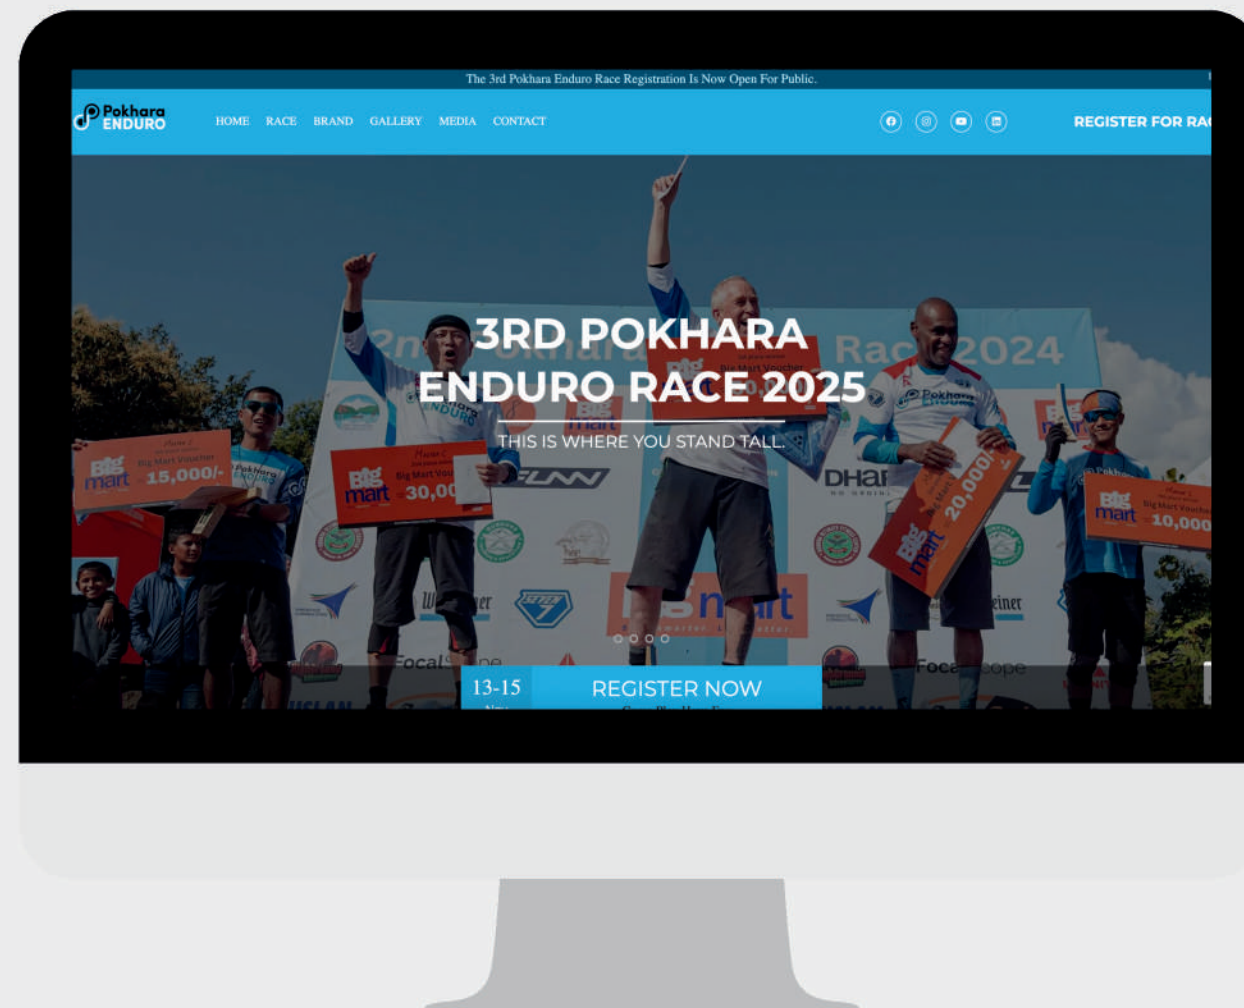

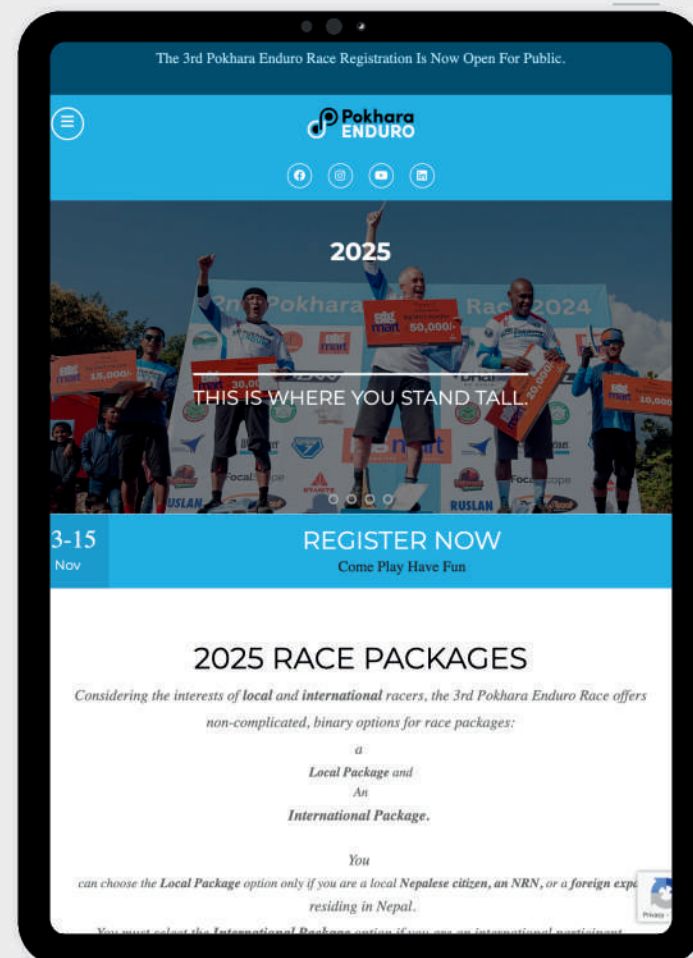

Our Works

Pokhara Enduro

<https://pokharaenduro.com>

Developed a highly customizable web platform for Pokhara Enduro, featuring news updates, tour listings, and event registration management.

Our Works

Zuleika by Gahanagriha

<https://gahanaonline.com/>

Developed an e-commerce platform for GahanaOnline to showcase and sell jewelry products. Built a custom plugin to manage bulk price updates based on current gold and diamond rates.

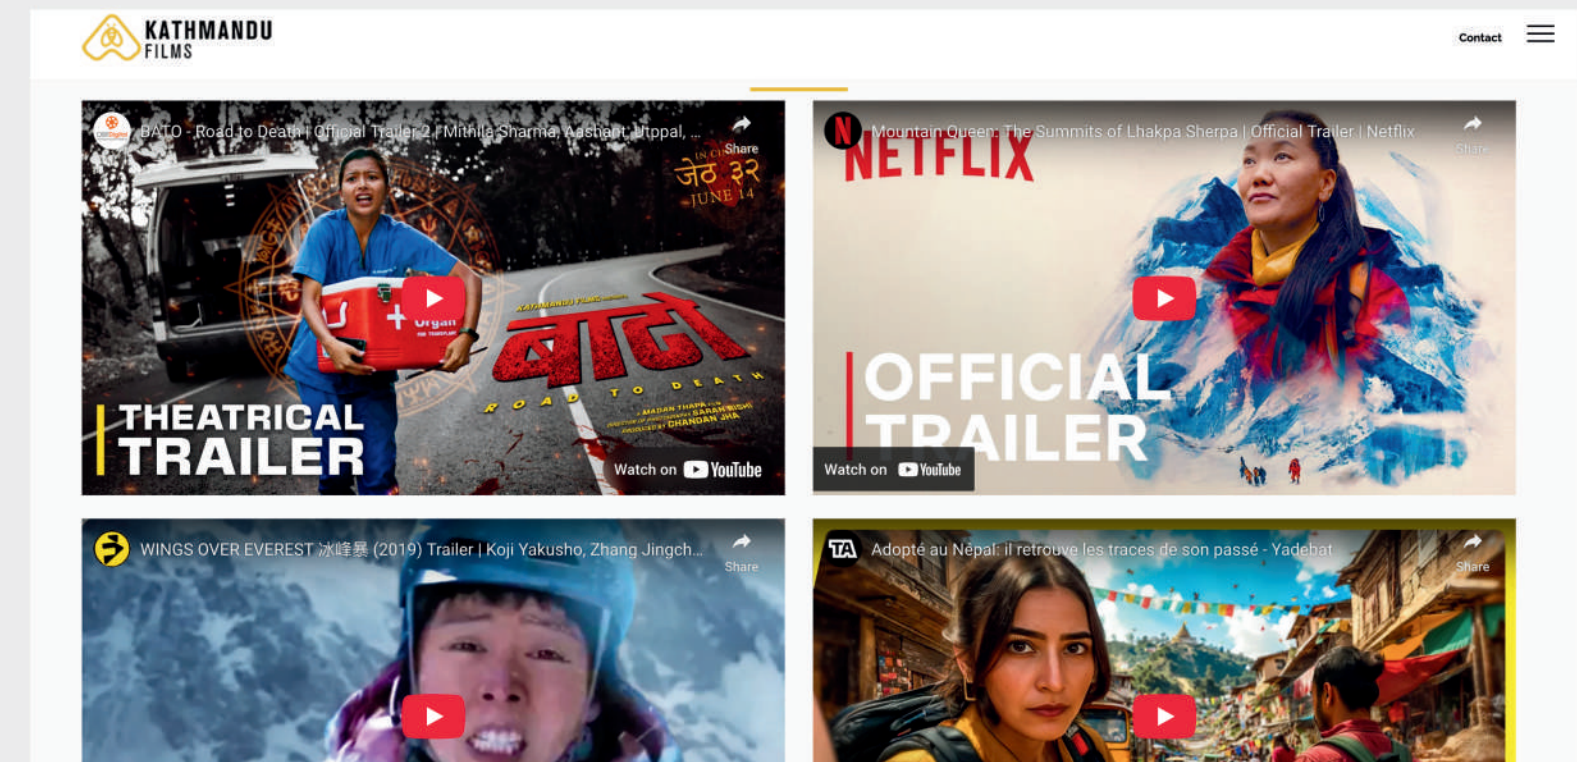

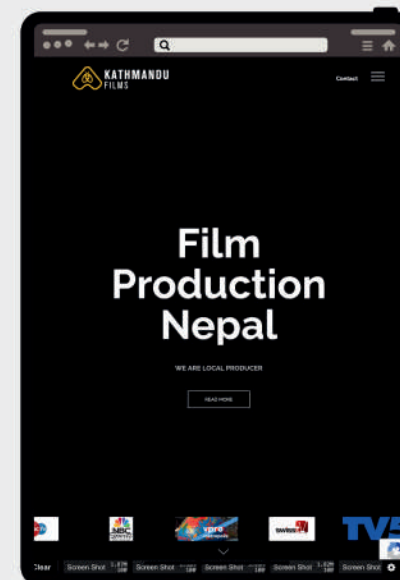

Our Works

Kathmandu Films

<https://kathmandufilms.com/>

Developed a modern website for Kathmandu Films with a focus on performance, SEO optimization, and showcasing film production services.

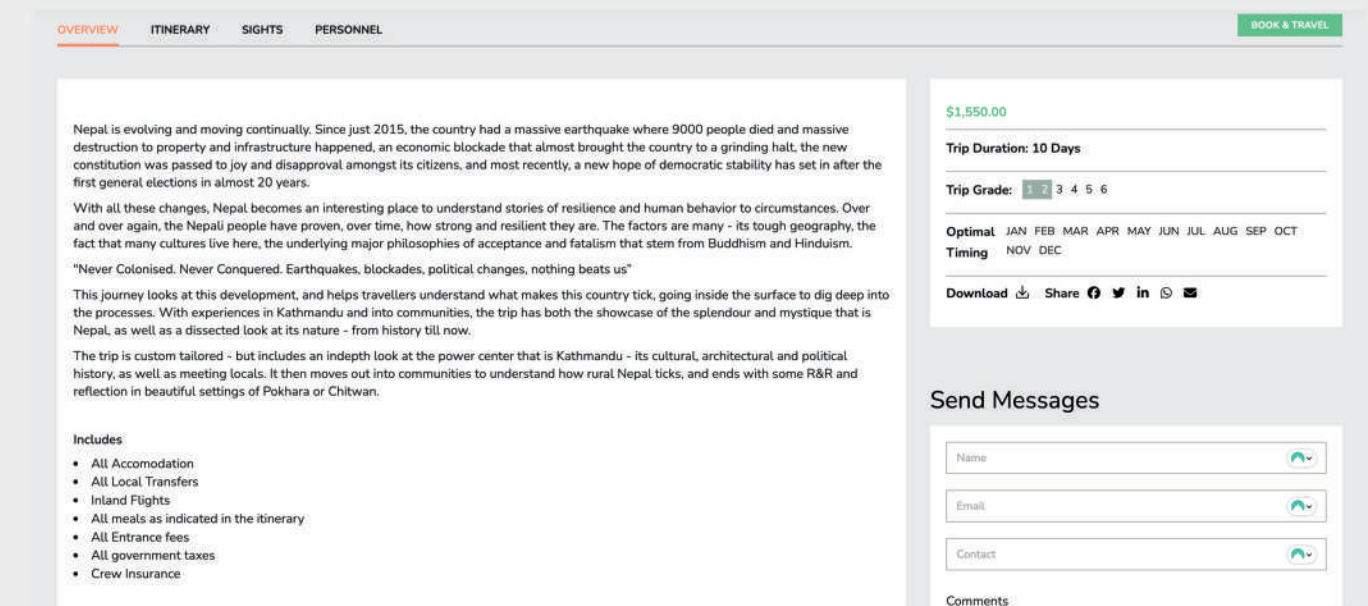

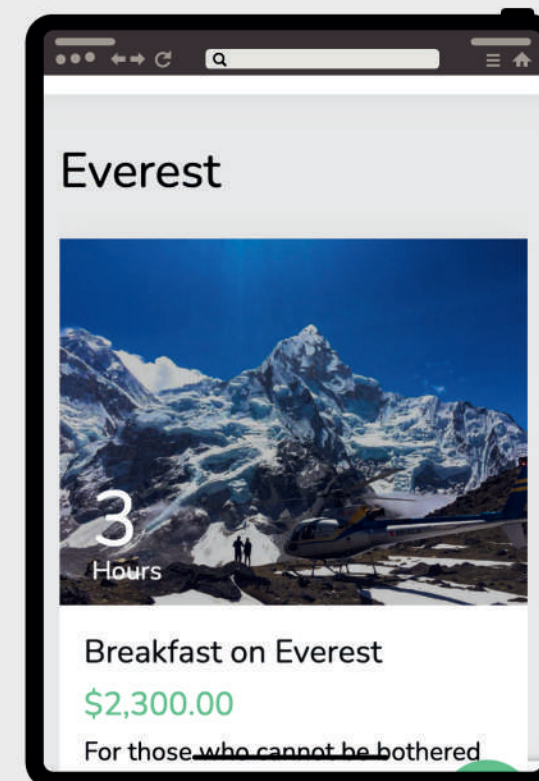

Our Works

Social Tours

<https://socialtours.com/>

Developed a dynamic and user-friendly travel website for Social Tours, featuring customizable trip itineraries, engaging stories, and a rich photo gallery.

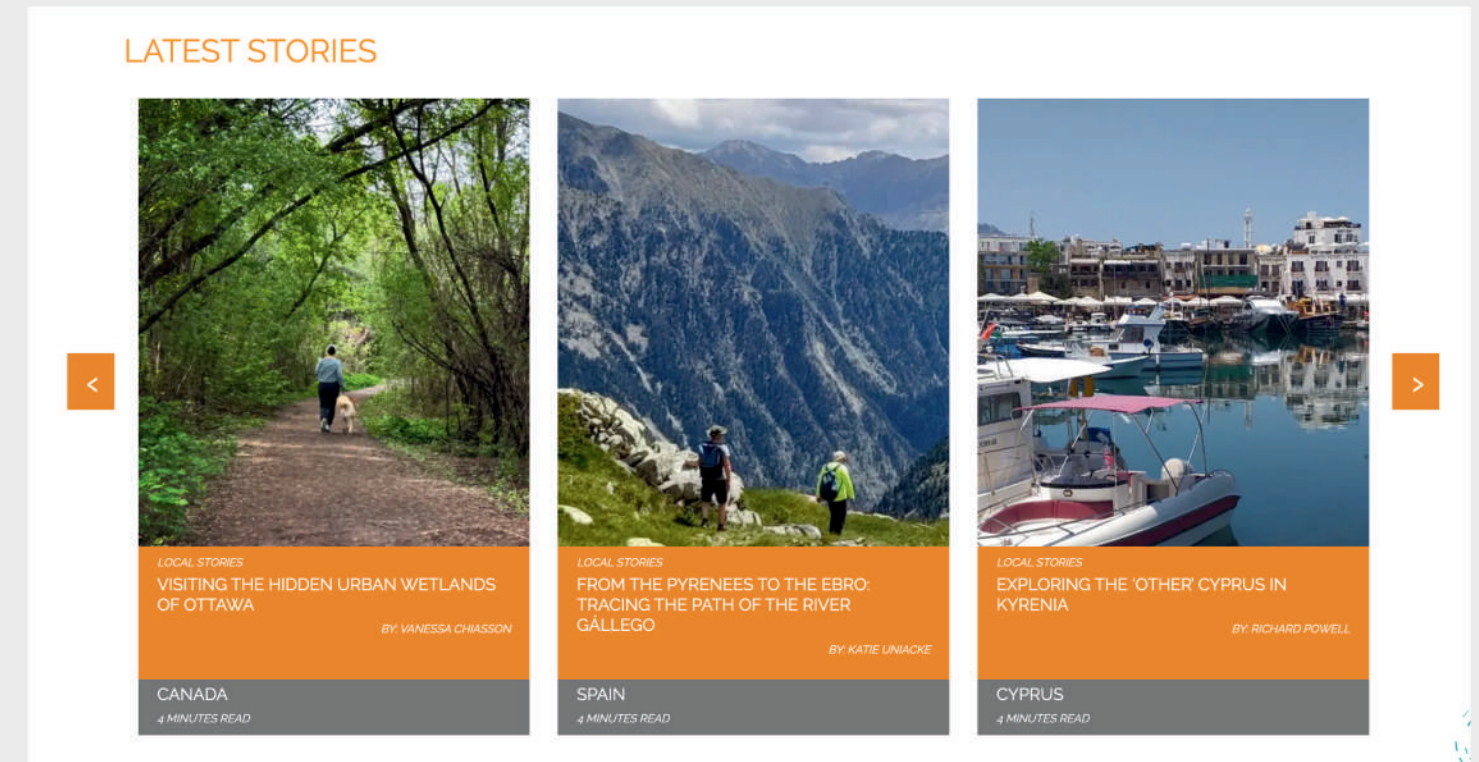

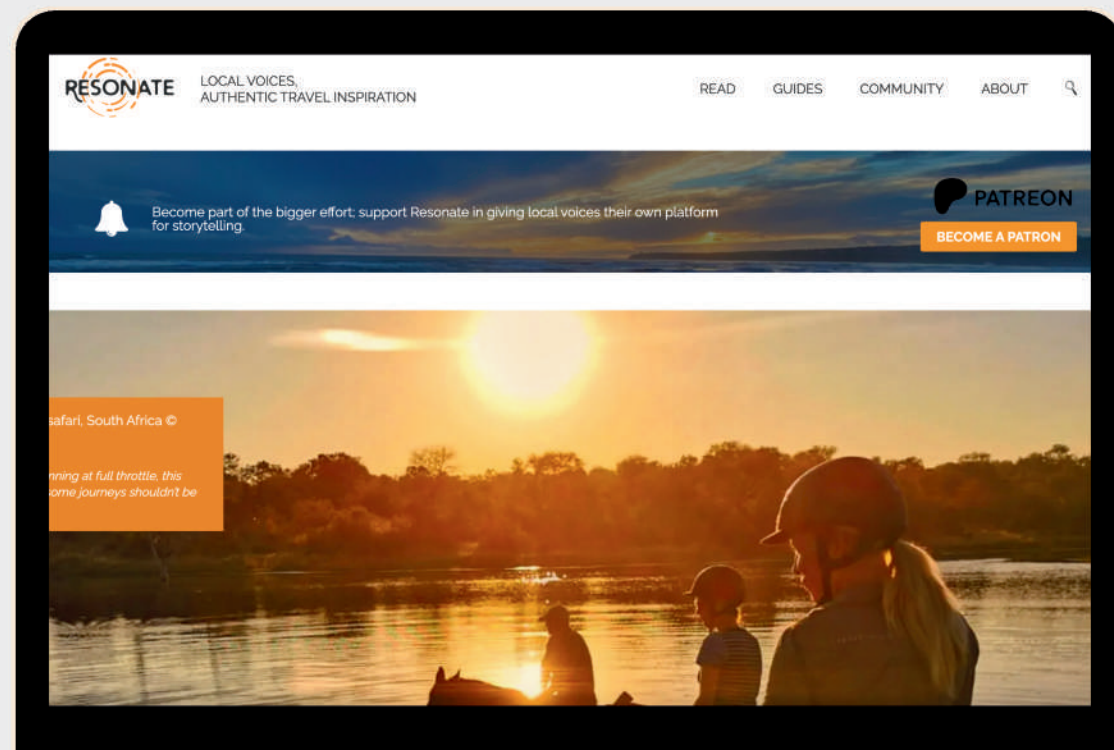

Our Works

Resonate Travel

<https://resonate.travel>

Developed a travel story platform featuring guides, personal experiences, and destination highlights—designed for easy browsing and immersive exploration

Our Works

Road Safety Training

Conducted multiple comprehensive road safety sessions for drivers and students, covering traffic regulations, injury prevention, vehicle safety, and mental preparedness to promote responsible driving and reduce accidents.

Our Works

Labour Audit for NWEDC/PC/Andritz

Conducted labor audits to assess compliance with labor laws, ILO conventions, and PS2 standards—reviewing safety, compensation, and HR practices, with actionable recommendations for improvement.

Our Works

Training on BIMP & Bridge Management Software (BMS)

Trained Department of Roads engineers on financial non-compliance in the Bridge Improvement and Maintenance Program, including Bridge Management Software use, for the Ministry of Physical Infrastructure and Transport.

We've partnered with Prestige Consulting (IT Services) since our inception, and they've been instrumental in our growth - from product packaging and website design to payment portal setup and ongoing site management. Their professionalism, creativity, and reliable support have helped us bring our vision to life. Highly recommended!

What our Clients say

Prativa
Pandey
Founder, Herveda Botanicals

Prestige Consulting has been an exceptional partner—reliable, responsive, and consistently delivering high-quality solutions. Their support and execution have helped our digital operations run smoothly.

What our Clients say

David
Kleiman
Partner at PHB Development

We have had the pleasure of working with Prestige Consulting Pvt Ltd. particularly Shailesh Joshi for several years. He built our storytelling platform, [resonate.travel](https://www.resonate.travel), and has been part of the team since. Shailesh is highly knowledgeable in IT and web development and has consistently delivered solid, reliable work throughout the project.

He is responsive, professional, and committed to getting the job done right. His technical skills were matched by his ability to understand our needs and translate them into a clean, functional, and engaging website. We highly recommend him for any IT or web-related projects.

What our Clients say

Linda
Veråsdal
Co-creator, Resonate

We are extremely happy to have found Prestige Consulting! They have been an amazing web development partner and had a solid understanding of our vision and workflow. I would not only highly recommend the company, but we will also continue to use it moving forward.

What our Clients say

**Merica
Shrestha**

Managing Director, Zuelika by Gahanagriha

“We have been working with Prestige Consulting Pvt. Ltd. since 2017, and their IT services have consistently exceeded our expectations. Their team is reliable, responsive, and technically sound. From website development to ongoing tech support, Prestige Consulting has played a key role in helping Kathmandu Films maintain a strong digital presence. I highly recommend their services to any business looking for dependable IT support.”

What our Clients say

Chandan
Jha

Managing Director, Kathmandu Films

Shailesh Joshi from Prestige Consulting Pvt Ltd was instrumental in developing our website and creating an innovative diagnostic tool that added real value. He was always responsive, proactive, and solution-focused. A true professional—highly recommended.

What our Clients say

David
Simpson
Director, InterPraxis Consulting
